

## The Village chiefs!

The Village Team are there to make sure that everyone at Kairos has a great experience staying at Kairos Youth Camp, and morale is kept at an all-time high!

As a member of the Village People you will be involved in all of the following: (please note: wearing of silly moustaches while doing these things is entirely optional!)

- Welcoming campers as they arrive on site and helping to set up and get settled in.
- Pointing campers in the right direction for all camp facilities and letting them know where they can find help when they need it.
- Making sure that everyone knows about the events happening through the weekend and where they need to be for each of these.
- Getting alongside the young people and groups and encouraging them to get involved and have fun
- Making sure that all groups get settled down for the night and everyone gets a good night's sleep (as far as their soggy tents will allow!)
- Working with the Site and Safety, Activities and After Hours teams to make sure that all the campers get the most out of their time at Kairos.
